ABOUT ME

My name is Sahanaa, and I am currently 16 years old. I am a motivated and well-rounded student with a strong interest in learning, creativity, and personal growth. I have a growing interest in web development and digital technology, and I enjoy applying my skills to real-world projects while continuously learning new concepts. I enjoy exploring opportunities that help me develop new skills and challenge myself both academically and beyond the classroom. I am a quick learner who values discipline, teamwork, and continuous improvement, and I am always eager to take on new experiences that contribute to my overall development.

EXPERIENCE

- Actively involved in a diverse range of extracurricular activities, including sports, dance, technology, leadership, and the arts.
- Developed strong communication, teamwork, leadership, creativity, and problem-solving skills through various academic and non-academic experiences.
- Passionate about technology and continuously expanding my knowledge through practical projects and self-learning.
- Experienced in public speaking and event hosting, including conducting both offline and online seminars on video editing.
- Committed to continuous learning, personal growth, and embracing new challenges that enhance my skills and broaden my experiences.
- Dedicated to making meaningful contributions in every opportunity while striving for excellence in both academics and extracurricular activities.
- Designed and developed a business website for my mother's business, incorporating a product catalog and Google Sheets integration to efficiently manage customer inquiries and data.
- Developed practical knowledge of digital marketing by generating customer leads through Facebook marketing campaigns.
